

### The fourth, fifth and sixth sessions of the "Strategic Planning" working group were held

According to the Secretariat of the National Iranian Nursing Research Network based in Tabriz, the fourth, fifth and sixth sessions of the "Strategic Planning" working group were held at the Faculty of Nursing and Midwifery in Tabriz. The issues raised in these meetings are as follows

According to the Secretariat of the National Iranian Nursing Research Network based in Tabriz, the fourth, fifth and sixth sessions of the "Strategic Planning" working group were held at the Faculty of Nursing and Midwifery in Tabriz. The issues raised in these meetings are as follows:

In the fourth meeting of this working group, which was held on Monday, July 26, the analysis of external factors of the discussion and writing network in strategic planning was included and it was decided to send comments on the analysis of internal and external factors to the esteemed members of the Strategic Council and the esteemed members of the Educational-Research Council of the Nursing Research Network.

In the fifth meeting, which was held on Monday, August 9, the comments received from the esteemed members of the Strategic Council and the Educational Research and Training Council of the network regarding the analysis of internal factors, aggregation and review of items for analysis of internal factors according to the received comments, new items were removed or added and strengths and weaknesses were examined.

In the sixth meeting, which was held on Tuesday, August 10, the opinions received from the members of the Strategic Council and the Network Research and Training Council regarding the analysis of external factors were reviewed, aggregated and finalized. It was also decided to add the scoring spectrum in front of the column of internal and external factors and send it to the members of the Strategic Council and the members of the Educational-Research Council to determine the score and weight of the items. Below you could see some pictures of this meetings.
